**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been extremely pleased with Sonic as my local provider for the internet/phone for many years now. I am an independent sales person who supports broadband competition. Their service and support has far exceeded any of the other providers I worked with in the past. My experience with another carrier was not pleasant. They were always adding price increases every year and the service did not change. This is unacceptable. No to price hikes that will increase the cost of internet and telephone services. Please keep broadband alive!
